Who
we
are

Mabuge Nigeria Limited was established in 2007 in Nigeria as a general contractor, supplier, marketer, and importer/exporter of goods and services to the various sectors within Nigeria. Presently, we have metamorphosed as a full-service company providing a range of services to the Oil & Gas sector.

Mabuge is committed to continually growing the Oil and Gas Sector in West Africa and is always striving for new and innovative ways of achieving this goal. We are at the fore front of providing cutting edge technology to our extensive clientele in the African Oil and Gas sector and this we achieve through our unique strategic partnership alliances with world renowned industry leaders and experts. With over Fourteen (14) years' experience in the business sectors, our array of services in the Oil and Gas industry includes Consultancy and Professional Training, Heavy Equipment Supply, Hire & Leasing, Gas Distribution, Drilling Rig Supply, Vessel Supply Services, Safety Equipment & Material Supply, Computer /Data Storage Systems & IT Services, Maintenance of Civil Works, Construction, Interior Decors, just to mention a few.

Mabuge's alliances and joint ventures with some world leading companies within the oil and gas industry and other business industries in Nigeria enables us to provide first class solutions that help enhance the operational efficiency of our clients.

Mabuge Nigeria Limited currently has its head office in the Federal capital Territory, Abuja, Nigeria. The management of Mabuge Nigeria Limited is always focusing to deliver high quality projects within the scheduled time, and in full compliance with the clients' specifications and applicable standards.

OUR VISION

Our vision is to strive be the company of first choice for the provision of cutting-edge technology in the upstream, midstream and downstream oil and gas sector.

OUR MISSION

Our mission is to satisfy our customer's requirements through conformity by utilizing proven process techniques that allow for the efficient execution of projects, meeting the time, cost and quality standards with a commitment to continual improvement.

OUR VALUES

Our values are the firm foundations upon which we build our company.

- **Integrity:** the courage to always maintain the right from the wrong without compromise.
- **Accountability:** the strength to take responsibility for our actions and decisions.
- **Reliability:** the ability to deliver on what we promise, without exception.

OUR SERVICES

CONSULTANCY SERVICES

Mabuge Nigeria Limited offers and maintains a core team of highly qualified and experienced Consultants and Administrators. Mabuge Nigeria Limited places a very high premium on Health, Safety and Environmental (HSE) considerations in all its activities. Although many companies have their own safety standards with which we are obliged to comply during our operations, it is our policy to strive towards the improvement and provision of safe and healthy working conditions for all persons and environment as a whole.

CORPORATE GOVERNANCE

Mabuge Nigeria Limited is totally committed to sound corporate governance. It is recognised that, besides being a valid expectation of investors, good governance is fundamentally advantageous to the company's sustainability and functioning. Inextricably linked to good corporate governance is the company's Code of Ethics. Mabuge Nigeria Limited has always aspired to the highest ethical standards and is in full compliance with applicable laws, regulations and industry standards.

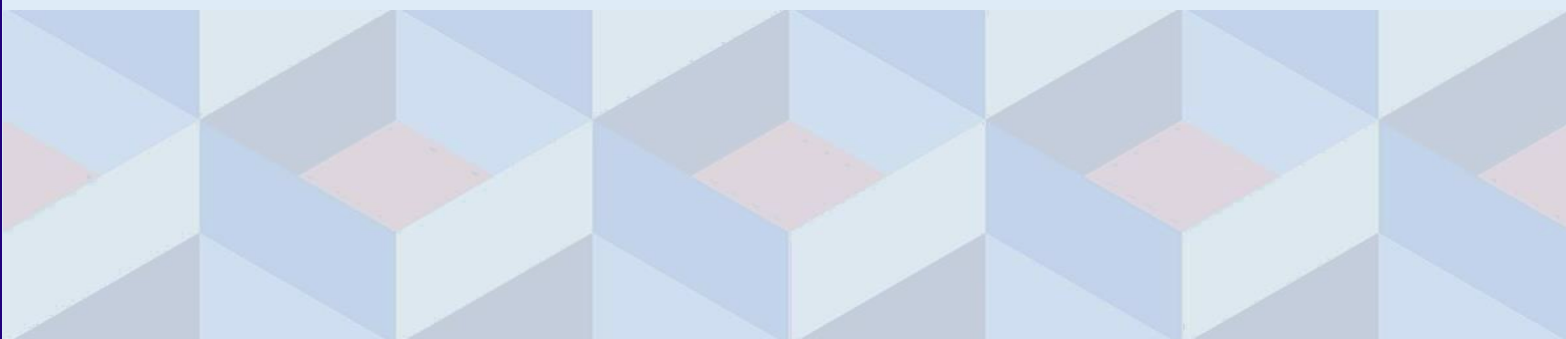

LOCAL CONTENT DEVELOPMENT

Mabuge Nigeria Limited strongly believes in and supports the Nigerian Local Content Act. Being an indigenous African company Magnumflo understands the demands and laws in each country and cultivates its alliances and joint ventures accordingly. We are effective in local participation by adopting the following principles in all procurement activities:

- ✓ Enhancement of local participation in all activities as possible.
- ✓ Utilization of local resources and services in all measures possible
- ✓ Technology transfer to local companies

Mabuge Nigeria Limited is proud of the cultural diversity of its people. As set out in our Code of Conduct, the company encourages tolerance and sensitivity to all cultures and is committed to maintaining a workplace free from discrimination for reasons of race, creed, culture, nationality, gender, and sexual or marital status. Employees are selected on their ability to perform the job and physical disability is not a barrier to employment.

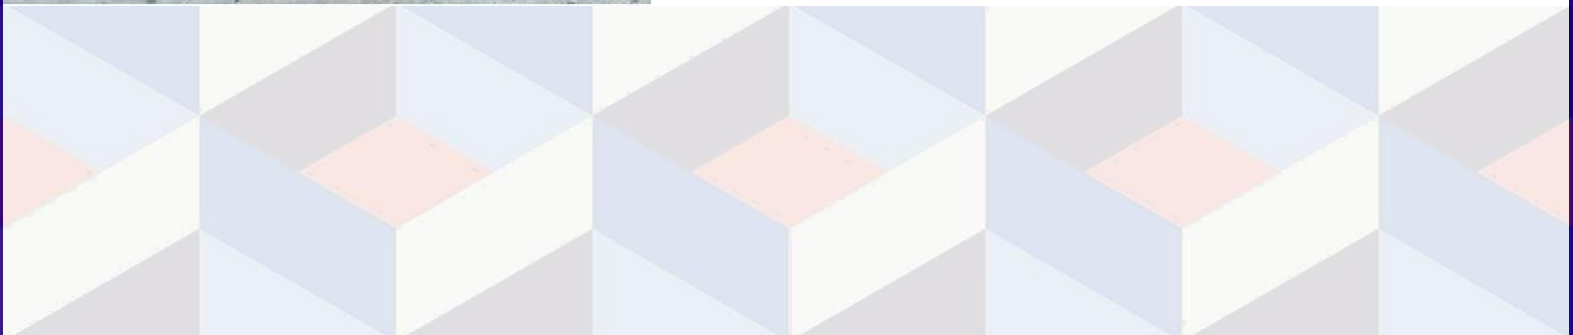

SKILLS DEVELOPMENT

Mabuge Nigeria Limited offers education and training opportunities for advancement. Employee development takes the form of e learning, on-the-job coaching and training, development projects, secondments and classroom-based training. In-house programmes are provided to improve productivity by equipping employees with behavioural skills. These courses include performance and change management, recruitment and selection, industrial relations, stress management, and presentation skills. In addition, individual development plans assist all employees. Mabuge Nigeria Limited also offers leaderships and graduate training programmes in the all areas of the business.

SOCIAL RESPONSIBILITY

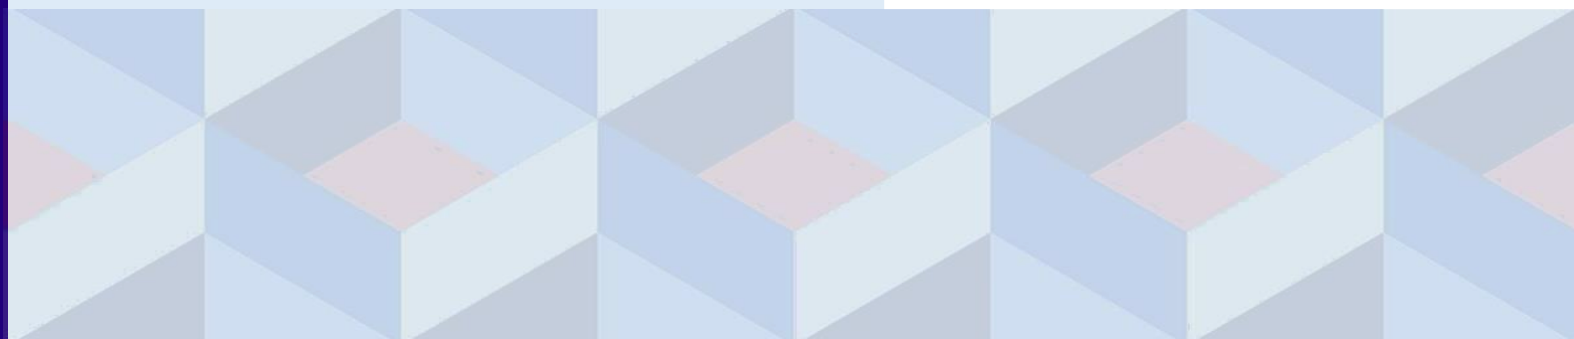

Mabuge Nigeria Limited takes seriously the influence and impact its business has on society, the economy, and the environment. Corporate Social Investment (CSI) is an inherent part of how Mabuge Nigeria Limited currently does business. Economically and socially strong communities enhance Mabuge Nigeria Limited success, and its evolving strategy is aligned to long-term business objectives.

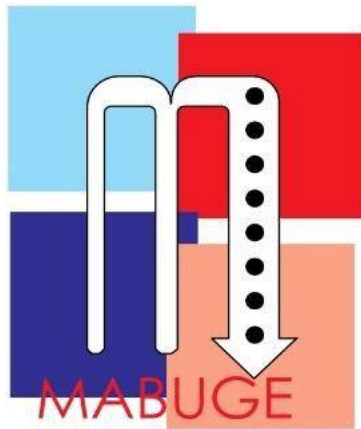

Mabuge Nigeria Limited is fully compliant with the necessary regulatory authorities required to enable us carry out business operations smoothly in Nigeria. A few of these authorities are:

- Corporate Affairs Commission (CAC)
- Federal Inland Revenue Service (FIRS)
- Department of Petroleum Resources (DPR)
